PHOTOGRAPHY BY ELLEN STAGG

AVERY JANE & ARIEL X

X: @AveryJaneXO @ArielXoxo
Instagram: @averyjaneofficial @jitsfitchick

When did you start fetish modeling and under what circumstances?
ARIEL X: I started doing fetish modeling in 2003, at the age of 23.
AVERY JANE: I began fetish modeling in 2015, when I was working as a professional submissive in the Los Angeles BDSM scene. I've loved being a fetish model ever since!

How did you feel the first time you took your clothes off for the camera?
ARIEL: I had actually had a baby two years prior to doing nude modeling, and I felt somewhat proud of how quickly I was able to get back in shape.
AVERY: I've always been an exhibitionist and a bit of a show-off, so the first time I took my clothes off in front of a camera, I felt confident, excited and a little nervous.

How did you become aware of your fetishistic side?
ARIEL: Even in 2003, there were people putting fetish videos up on clip stores and websites. I was networking with content creators, and we would chat about all the interesting custom videos we were being paid to create.
AVERY: When I was 19 years old, I walked into a sex shop to buy my very first vibrator. I was so enthralled by the store, I asked for a job and got hired on the spot. Soon after, the *Fifty Shades of Grey* franchise took off, and everybody was curious about BDSM and fetish play. I attended a BDSM 101 class to learn more and immediately felt like Alice falling down the rabbit hole into this new land of excitement!

What fetishes do you like in your personal life?
ARIEL: Muscles and the sheer dedication to maintaining a fit physique are incredibly appealing to me. Additionally, I have a particular fascination with feet.
AVERY: I have many different kinks, including spit, rough sex, wrestling, breath play and water sports, but I'd say my actual fetish is anal. Ass play is my biggest fetish to date!

Are you dominant, submissive or a switch?
ARIEL: I'm a switch, depending on the energy of my partner.
AVERY: I'm definitely a full-fledged switch. I enjoy tapping into both my dominant and submissive sides.

Have your sexual boundaries changed over time?
ARIEL: I have explored my sexuality extensively, and indeed, my boundaries and preferences have evolved. When I started dating in 2003, I primarily dated women, but now, at 44, I have also enjoyed relationships with men and am currently married to a man. I have also become much more open to polyamory in an authentic way.
AVERY: My sexual boundaries have definitely changed over time. I have always been adventurous, and I usually believe in trying everything at least once.

Do you like rough sex?
ARIEL: In the right circumstances, I really do. I like blurring the lines of pain and pleasure, as long as it is done with someone I trust who will respect my boundaries.
AVERY: I love rough sex! I have a propensity for all things hardcore and intense, including rough sex. Whether it be an intense impact play BDSM session, a rough anal sex session or a sex wrestling match with Evolved Fights/Evolved Lez, I absolutely love the feeling of raw, feral, animalistic, rough sex!

What about pissing or golden showers? Has anyone pissed on you? Or you on them?
ARIEL: I've done videos of it, but it's not a personal fetish of mine. I don't see anything wrong with it; it's just not anything that gets my gears going.
AVERY: I absolutely love both giving and receiving golden showers. Not only do I enjoy getting pissed on, but I enjoy being pissed in!

How do you feel about anal sex?
ARIEL: I rather enjoy it, giving and receiving.
AVERY: I'm known for my intense hardcore anal performances, as well as my love for anal sex in both my personal life and work life.

What are your hard limits?
ARIEL: No blood play, no race play, no incest play, no age play. Nothing that causes harm to animals, insects or plants.
AVERY: My hard limit is no scat! Another is no race play! Aside from the occasional femdom scene where I dominate white men and mention their race according to their desires, I don't participate in race play.

What is the most requested thing you are asked to do by your fans/followers?
ARIEL: My fans want to see me flex my muscles and dominate other wrestlers.
AVERY: Funny enough, I get a lot of requests from fans to do scat play. I suppose because I'm an anal girlie, fans associate ass play with the next level up: poop play. Unfortunately for those fans, there is just nothing about scat that turns me on!

Do you like foot and leg fetishism, attention to your feet?
ARIEL: I have great feet, so I love when fans ask for feet pictures. I like the arches and the foot wrinkles. A good arch is sexy.
AVERY: My foot fetish stems from 20 years of classical dance classes, where I looked at a lot of feet. I had to pay attention to things like pointed toes, arches and toe length, and I was surrounded by the smell of feet all day! I can orgasm purely from having my toes and feet sucked on, I get turned on by sucking other people's toes and feet, and I love when people dominate me by stepping on my head, etc.

Why did you want to shoot for TABOO Magazine?
ARIEL: You have wonderful fans who I think can appreciate a muscle girl like me.
AVERY: I've always been a kinky fetishist, so naturally, TABOO Magazine drew me in with its attention to kink, fetish, BDSM and the more alternative side of elegance.

What was your favorite part of shooting for TABOO?
ARIEL: The laid-back style of filming with amazing costars is always nice.
AVERY: Working with phenomenal women like the legendary Ariel X and the talented Ellen Stagg! Ariel is a stunning powerhouse and has created a very niche space in this industry for those of us with wrestling fetishes. She has been a longtime porn crush of mine, so getting sexy with her was a dream come true!

NIKKI

Irrigation Station

PHOTOGRAPHY BY MATTI KLATT

I hate it out here in the desert. Strung upside down in heels and a corset, I'm fuck-meat for his twisted appetites. To keep me hydrated in the heat, he's been making me drink all day, and now the pressure on my inverted bladder is pure misery. He's brought his evil bitch-trainer with him, and she really knows how to hurt a girl, chaining me to the post for the kind of whipping only one woman can give another. She knows just what spots to hit with just which implements. As usual, her tortures move from the outside to the inside. My stinging, sun-burned flesh is soon forgotten when she begins the slow, relentless drilling of my insides with the fat rubber dong and the hard, skinny vibrator. Knowing that my smaller hole is particularly susceptible to stimulation, she works it with the vibe to keep me at the brink. It'll be bad enough if I come without her approval, and if I spray the sand at the same time when my muscles contract involuntarily, she'll hang me upside down and beat me like a rug. I shoot my master a pitiful look, but he's smiling and enjoying the show. Finally, he relents and tells his henchwoman to let the poor bitch come. I know he really wants to see the fountain of pent-up liquid arch out from my pee-hole and I don't disappoint him. Now at least I know I'll get fucked good and hard, and that alone makes the trip out here worthwhile.

Instagram & OnlyFans: @iambambibarton

When did you start fetish modeling and under what circumstances?
I started fairly recently. I've always enjoyed the lifestyle, but never felt confident or brave enough to model for it.

How did you feel the first time you took your clothes off for the camera?
Liberated. It felt so natural and freeing. Now every time I do, it still feels like the first time, and I love it.

How did you become aware of fetishism?
I've always needed to be the "smaller," more passive one in a relationship, so I've always been aware that I kind of naturally have a fetishistic side.

Do you wear fetish clothes in public? What are your favorite items?
I love to wear latex—I feel really pretty when I wear it. I have this black latex halter top that's almost a staple piece in my closet. I love her.

Have you ever scened in public?
I've been to some freaky clubs before, but not, like, outdoors. That would be fun though.

Are you dominant, submissive or a switch?
Definitely a submissive. It's kinda funny though. Because I'm so tall, most people just assume I'm the more dominant one in a relationship.

Haveyour sexual boundaries changed over time? Are there things you would not do before that you like now?
They have changed drastically. I was always scared of the idea of sharing my partner before, but with age I've learned that I really enjoy it. I get off on watching my partner get off.

Is there anything kinky sexually that you would like to try that you have not yet?
I've always thought shibari was neat—the intricate knots and how you're just lying there suspended. Very cool!

Do you like rough sex?
I love it. I think it goes along with the submissive role for me. I really enjoy just being able to "turn my brain off," so to speak. I like the lack of control and decision-making on my end.

What about pissing or golden showers? Has anyone pissed on you? Or you on them?
Just as an experiment, once I had a partner pee on me in the shower. I would definitely try it again in a more specific setting. I'm always up to try anything once!

How do you feel about anal sex?
I don't mind it. Is it my favorite? No, but again, I really get off on my partner getting off. If I know my partner loves it, of course I'm going to do it. But it's not a need-to-have for me.

What are your hard limits?
I don't like when someone is so rough that they try to drown me or make me throw up on myself. I like it rough, but I'm not looking to go that extreme, ever.

What do your fans/followers ask for the most? Any outrageous requests?
The most requested thing isn't all that outrageous, actually. It felt like it was at first, because it involves something I used to be insecure about: my feet. My fans love my feet, and it's started to grow on me over time.

Do you get requests for pantyhose? Stockings, shoes, etc.?
All the time, and I gotta say, I'm not sure what it is, but I love wearing stockings and fishnets! It's so hot!

Do you like foot and leg fetishism, attention to your feet?
I do, especially my legs—I think they're one of my favorite assets, so it's really nice when others also appreciate something I love about myself.

What kind of porn do you prefer? What do you search for on the internet?
My go-to is lesbian MILF porn. The hot "boyfriend's mom" trope is so sexy to me.

Are you in a fetish lifestyle partnership? Would you like to be?
I'm not, but I'd really like to be!

Why did you want to shoot for TABOO Magazine?
"Freedom of expression" is probably the simplest way I could put it. I love to model—it makes me feel so pretty, and branching out into fetish modeling is exciting.

What was your favorite part of shooting for TABOO?
My photographer, Ellen Stagg, always makes me feel so pretty and helps me take the prettiest photos. I enjoy shooting with her, and I felt comfortable enough for her to help me open up to fetish modeling. It's been a blast!

KATE & KATIE

PHOTOGRAPHY BY ANDRE BAYLOCK

KATIE'S SPOILED-PRINCESS pout does her no good out here. Pampered house slaves need reminding that there are other kinds of labor besides lying on your back and spreading your legs. There's also sweating naked under the burning sun, hauling heavy bricks on the pallet while encouraged by the sting of my whip. I add my own weight to the cart when Katie whines too much. If she prefers shoveling dirt, you wouldn't know it from her grudging pace, but it's entertaining to watch the muscles ripple under her dripping skin. I especially enjoy seeing her struggle against the added handicap of high heels.

I do believe she's worked up an appetite—in me. First, there is her poor performance to be addressed, on all fours with my short crop slapping against her backside. Then there's the chance to prove she's good for something by lapping my cunt properly. Yes, well, we know Katie's got an aptitude for that kind of task. Her tongue certainly knows its way around my clit, and by the attentive way she does up my strap-on, she's clearly eager to please, herself as much as me. But since she's in punishment, even the hard fucking she craves can't be all play and no work. Strung to the overhead bar with her arms stretched high while she pumps up and down on my rod will help keep Katie in shape. She's still got a long row to 'ho.

The noisy throngs of The Ginza far below don't even look up to see Shinon lashed to the rail of the balcony. They probably would not care if they saw her there. Girls like Shinon are just part of city life—hanging around the bars near the love hotels waiting for the right offer. She has no interest in the leering salary men, or the boring rich guys. The fashionable couple in leather are more her type, promising an afternoon of complete helplessness and perverse pleasure. No time is wasted before they have her strapped and stripped, posing her like a marionette as they strip her one garment at a time. So dirty, the way they take turns masturbating her, themselves and each other through the whole process. Nipple clamps and skilled clit tweaks make the tied tart squeal with surprise. These two really know how to hurt a girl.

SHINON

Urban Plight

PHOTOGRAPHY BY RYOKO VERSION

By the time Shinon's fully naked, everyone's wet, hard and ready. Hogtied on the floor, Shinon arches up her backside for a good spanking, followed by the sensation of flesh penetrating flesh. They take turns with her. When the man needs a break, he secures Shinon to the table frame so his wife can probe her with the clear prod to study her glistening inner surfaces. It comes out slimed with her secretions. Shinon needs more of the real thing again, this time hammering her to a nice, long, messy finale.

Then it's back out into the busy street, passing strangers never to see each other again. For Shinon, the next thrill is just around the corner.

KRISTINA & ALEX

Class A Service

PHOTOGRAPHY BY DAVE NAZ

Kristina sweats under her latex playsuit in the still, summer heat while Alex casually probes her tight, greased rear-hole with two fingers. It's all about ass tonight. Hers is his to spank with the biting steel ruler or ream with the ball-ended prod. His is for her to rim, deep and long, while he sits on her face. He hangs the enema bag from a high branch to increase the pressure. Bent over and bound, Kristina feels the in-rushing tide flood her ass-guts. Beyond shame, she begs permission to expel in a long, arcing stream. Just to be sure she's ready for use, he makes her squat down to squeeze out the last spurts. The gushing liquid inspires Alex to take a piss, and since Kristina's already down there, he unzips her top and hoses down her tits with hot, reeking urine.

Now that she's clean inside and dirty outside, she's ready to prove her submission where it counts. It's difficult enough taking his thick wedge in her tight pucker doubled up or squatting with her arms raised behind her. But fully suspended with her most sensitive spots decorated by clothespins, Kristina can hardly believe she's actually coming like the butt-slut she is. Now it's his turn, and he takes it with Kristina rigidly bound for the face-fuck finale, his ass-slimed cock at the back of her throat as his thick load explodes out the sides of Kristina's mouth. She's all his, from one end to the other.
